QUIZ | AGE : 7+ , PLAYERS : 2-8 , TIME : 15 MIN

# Aim of the Game

You must get 7 points as quickly as possible by giving correct answers to the questions (one question per player per turn). Each correct answer earns you one point, regardless of which number question it is. Each of the 50 cards is based on a theme. Choose the number of your question and try to give the correct answer to earn 1 point.

# Setting up the Game

Shuffle the 50 card deck and place it in the center of the table.

## To play

The player who most recently watched a Harry Potter film begins first. The person to the right of them draws a card. They then ask them one of the 5 theme based questions on the card. If they get the right answer, they win a point and keep the card (to keep track of the points).

Now it's the next player's turn to answer a question on another card. Each right answer earns you 1 point. The winner is the player to first obtain 7 points.
